ARTICLE IX

Grievance Procedure

A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which from time to time may arise affecting the welfare or terms and conditions or employment of administrators. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be considered as limiting the right of any administrator having a grievance to discuss the matter informally with the Superintendent of School, and having the grievance adjusted is not inconsistent with the terms of the Agreement.

B. Definitions

1. A "grievance" shall mean a complaint by an administrator or the Association (1) that there has been to him or her, a violation or inequitable application of any of the provisions of this contract or (2) that he or she has been treated inequitably by reason of any act or condition which is contrary to established School Committee policy or practice governing or affecting employees, except that the term "grievance" shall not apply to any matter as to which the School Committee is without authority to act.
2. An "aggrieved person" is the person or persons making the claims.

3. A "party in interest" is the person or persons making the claim and any person who might be required to act, or against whom action might be taken to resolve the claim.
4. "Day" shall mean working school days.
5. "Administrator" shall refer to all certified administrative and supervisory personnel covered by this Agreement.

C. Time Limits

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year, or as soon thereafter as it is practicable.

D. Informal Procedure
